

Greetings to all from us here at La Roca Ministries, Tijuana!

Now after 3 years of the drug war, we have lost 38 police officers and 3 police chiefs. One police chief was killed with his whole family!

Many groups have canceled for three years straight and that has had a deep affect in our financial situation. But we keep moving forward advancing His Kingdom.

I fell from a motorcycle several weeks ago, and I ask God why do I keep getting injured, do you not want me to be in shape or stay active?

Then my wife told me, I think God is trying to tell you something! So I started meditating on what God could possibly be trying to tell me behind all my injuries!

And I felt God bring to mind the Apostle Paul, when he stated how he was ship wrecked 3 times, jailed, stoned, beaten with rods, received forty stripes, was in sleeplessness often, hungry, thirsty, cold and naked! But besides the things that came upon him daily, his deep concern and love was for all the churches!

I started thinking, so just like I continue to get up and try to get back into shape, regardless of the many times I have been injured, because the love I have for sports in the same way, we should continue to get up regardless of danger, fear and wars.

**WE are the church of Christ** and we have been called to go to all nations, not just when things are pretty, good and nice, but when danger is in place, Jesus' church should abound in love that much more!

Here are some pictures of our Tuesday meal outreach; where we are still feeding over one hundred people, from all walks of life! Brother

Rafael preaching up a storm, you would never imagine where God has taken him out from! Thanks for standing by us, even though many are not coming, we still need you support and your prayers! Now more than ever!

When you lie down, you will not be afraid;  
Yes, you will lie down and your sleep will be sweet.  
Do not be afraid of sudden terror.  
Nor of trouble from the wicked when it comes;  
For the Lord will be your confidence,  
And will keep your foot from being caught.
